

Graduate Faculty

Team up with graduate faculty at ASU and beyond

Graduate Faculty links doctoral students with the best ASU has to offer, including research professors, scholars, and those from ASU-related affiliations, such as Mayo Clinic, TGen, Barrow Neurological Institute, and Banner Health.

With nearly 2,000 scholars in the Graduate Faculty, PhD students have access to multiple areas of expertise in a truly cutting-edge education. Graduate Faculty can serve as dissertation committee chairs or members, formal or informal mentors, or simply offer multi-disciplinary perspectives on your research.

[Faculty at Arizona State University](#) are recipients of numerous national and international prizes, including Nobels, Pulitzers, and Presidential Early Career Awards for Scientists and Engineers. Faculty also includes Guggenheim Fellows, Fulbright American Scholars, and members of prestigious scholarly bodies.

Graduate faculty is available to PhD students only. See the [Graduate Faculty Guidelines](#) for more information. Use the search features to search for faculty.

If you are faculty who would like to become a member, see directions at [Graduate Faculty FAQ](#).

Search by Name

[go](#)

You may search by the faculty's first name, last name, first and last name, or any variation thereof. (Letters only)

Search by PhD Program

[go](#)

Choose a degree from the dropdown to view the Graduate Faculty for that program.

Search by Category

[go](#)

Choose an area of interest from the dropdown to view the Graduate Faculty for that area.
