The tutoring resources listed below are *free*. We encourage you to take advantage of them as needed.

## All Classes

Visit [Student Success](#) to find tutors and other class support.

## Biology

The School of Life Sciences Learning Resource Center (LRC) is located in the [Life Sciences C-wing](#). The center offers tutoring in BIO 100, 181/182, 281/282, 201/202, 340 and other subjects related to SOLS majors.

## Chemistry

The Chemistry and Biochemistry Learning and Resource Center is located in Physical Science Building H-wing (H-137). The center offers review sessions for tests and exams.

## Math

The Math Tutor Center is located in the [Bateman Physical Sciences Center A Wing/Wexler Hall](#) or [PSA-116](#). If enrolled at ASU, you can get help with MAT 106, 117 (and the stretch version 194), 119, 142, 170, 210, 211, 251 and MTE 180, 181.

## Writing

The Writing Center is located in UASB 140. The Writing Center helps undergraduate and graduate students become better writers.
