Health Clinics

The health clinics have an interdisciplinary staff that provides both physical and mental health services. The support that the Nurse-Managed Health Clinics receive from health care officials, third-party health insurance companies, policy makers, donor agencies, the news media, religious and community leaders, is critical to the sustainability of the clinics. Third party insurance can be used at our clinics for medical appointments only.

Arizona's first student-run clinic for the homeless by the Arizona State University, Northern Arizona University, and the University of Arizona. This small, service-learning program was named the Student Health Outreach for Wellness (S.H.O.W.) Community Initiative.

The NP Healthcare Grace clinic at Grace Lutheran Church 1124 N. Third Street Phoenix AZ 85004 has closed. We thank all of our community partners and our patients for their support over the years that the clinic was in operation.

Patients who are in need of family planning services should contact Planned Parenthood of Arizona at 602-277-7526 to schedule an appointment. You may also obtain information about other family planning clinics funded by the Arizona Family Health Partnership at the following website <http://www.arizonafamilyhealth.org/locations-2/>

If you need your health records, please call 480-965-1359 and leave a message with your name, date of birth and your phone number. This is a message only phone. Someone will call you when your records are ready to pick up.

Thank you and we wish you good health.
