International Graduate Reception

Helping you thrive at ASU

As the #1 public university chosen by international students, we serve international students across ASU's five campuses and location in Lake Havasu City, Arizona. We work to facilitate the success of our more than 10,000 international students and scholars during their time in the United States. We serve more than 700 international scholars and faculty members that come to ASU for our research facilities and expanding international partnerships.

Face of ASU

What is #FaceofASU? At ASU, our students matter the most. Face of ASU represents who we are – learners, leaders, balanced, disciplined, enthusiastic, imaginative, optimistic, unafraid.

We are proud. We are fearless. We are ASU.
