Live with others who share your major and career interests

As a freshman, you'll live on the campus of your major in a supportive, close-knit [residential college community](#) designed to help you succeed at ASU. Residential colleges place you next door to classmates that share your major or career interests and feature programs, events and amenities tailored to your major. Form valuable connections with roommates and classmates that will last a lifetime. Learn from staff who are prepared to help you build the foundation for your next four years.

[Residential colleges](#) feature programs, events and amenities tailored to your major, including: tutoring, advising, and academic resources.

Living on campus provides:

- a 24/7 community of support
- a place where safety and security are top priorities
- a residential experience that fosters personal development, meaningful engagement and life-long relationships
- convenience to academic buildings, student services and campus dining locations
- fully furnished rooms and community spaces
- all-inclusive living, including housing, utilities, cable and internet

Connect to an experience larger than yourself. Reserve your housing today and discover the Sun Devil way of life.

Take your next steps

Once you are admitted to ASU and have submitted your enrollment deposit, review your housing and dining options, based on your campus and academic major. Next, visit [My ASU Housing](#) to reserve your housing in three steps.

1. Start your application

Review and complete your housing [license agreement](#).

2. Search for roommates

Your future roommate should be assigned to the same [residential college community](#).

3. Complete your room and meal plan selection

Housing options are based on your campus and academic major. Make sure you review the schedule of [charges and deadlines](#) so that you don't miss an important deadline or step in the housing process.

Housing is guaranteed for first-time freshmen.
