

The Sun Devil Way

Each ASU student contributes valuable personal qualities and individual talents to the collective ASU experience.

To get the most out of your ASU experience, you will want to take advantage of all that is available to you and become involved in activities that will prepare you for academic, personal and career success. We are here to support you every step of the way, and it's expected that you will achieve, engage and be a responsible ASU student.

Achievement

Realize academic goals and advance personal growth by using the resources at the university. Take advantage of ASU's varied learning resources, study skills and tutoring services, academic success coaching and development workshops to help you achieve both academic and personal success.

Engagement

Become an active member of the ASU community by developing leadership skills and contributing to community life. Get involved in a study group or club connected to your academic major, join student or community service organizations, apply for on-campus employment and take advantage of other leadership opportunities. By participating in and contributing to the traditions of the university, you can empower yourself through social and professional networks and further develop your identity as a Sun Devil.

Responsibility

Make a positive impact on the ASU community through responsible decision-making, developing and living a healthy lifestyle, upholding a high level of academic integrity and adhering to the Student Code of Conduct. Contribute to the broader community, by demonstrating respect and awareness of diversity, and appreciation for difference. Make respectful choices today that will enhance your future.
