Reciprocity

Reciprocity is a courtesy arrangement among different law school Career Services offices where students and graduates are allowed to use onsite or online career resources. Each school will have its own reciprocity policy which will provide specific details and requirements.

For ASU Law Students and Alumni

The Office of Career Services at ASU Law may request reciprocal services on behalf of ASU Law students and alumni to the career services office of another law school. Reciprocal services will vary depending on an institution's policy. To submit a request, please contact Maria Hunter.

For Non-ASU Students and Alumni

The Office of Career Services at ASU Law may grant reciprocity on an as-requested basis to students and alumni of other institutions. Please ask your school's career services office to submit a request on your behalf, which can be sent to Maria Hunter.

If you are planning a visit to another school and would like a letter of reciprocity, please contact Maria Hunter.
