About Us

Take a tour of our cutting-edge facility and prepare to be inspired. See what members are working on, chat with community makers, and watch some of our machines in action! See for yourself how TechShop can help you turn your ideas into reality.

We are located in the ASU Chandler Innovation Center, giving ASU students and Chandler area makers, entrepreneurs and innovators access to a wide range of machinery, tools, software and a vibrant community.

The ASU Chandler Innovation Center is an engineering and technology-based education and research hub located in downtown Chandler at the city's former public works yard at 249 E. Chicago Street. It represents an alliance between the city of Chandler and Arizona State University's Office of Entrepreneurship and Innovation. For more information or to be in contact with ASU, please see entrepreneurship.asu.edu. To request use of space at the ASU Chandler Innovation Center, click [here](#) or submit your request [here](#).

TechShop is a community-based workshop and prototyping studio on a mission to democratize access to the tools of innovation. Packed with cutting-edge tools, equipment and computers loaded with design software featuring the Autodesk Design Suite, TechShop offers the space to make, and the support and camaraderie of a community of makers.
