[Our Team](#)

The Business Career Center supports the efforts of our corporate partners in recruiting undergraduate students. The center promotes employment opportunities through Handshake and by sponsoring business-specific career events tailored for employer and undergraduate W. P. Carey student success.

The W. P. Carey Business Career Center tailors services to employers and students by major and career interest areas. We take a customized approach to strategic recruitment planning services such as on-campus interviewing, corporate engagement events, and skill-specific workshops.
