Program Background

Please provide your program mission statement.

List the names and titles of those participating in the assessment planning, analysis and reporting activities for this program.

Please describe your program's assessment process and specific assessment activities during the 2016-17 academic year. Please include [who](#) was involved and [how](#) they were engaged in assessment activities.

If [no data](#) were collected for this program during 2016-17, please use the space below to note the reason and describe the strategies in place to ensure that data collection will occur during 2017-18, and then continue to the last page of this report and provide any changes to your current assessment plan.

During the 2016-17 academic year, what changes have been made to the program, curriculum, and/or instruction? Why were these changes made? Please discuss how those changes were implemented and their intended impact on student learning.

Program Assessment Results

Outcome 1:	
What do these results indicate about the extent to which students from this program possess the knowledge or skill reflected in Outcome 1? How do your results support this conclusion? Please use the space below to indicate whether or not each performance criterion was met and to describe components of the program you believe contributed to this result.	
	Outcome 1 met? Use Dropdown to Select

Measure 1.1	
Performance Criterion 1.1	Was the Performance Criterion Met? Use Dropdown to Select
Results	
Number of Observations Included in Assessment (e.g., number of students, papers, projects)	Proportion of Target Population Assessed
Data Collection Challenges or Issues [if applicable]	

Measure 1.2	
Performance Criterion 1.2	Was the Performance Criterion Met? Use Dropdown to Select
Results	
Number of Observations Included in Assessment (e.g., number of students, papers, projects)	Proportion of Target Population Assessed
Data Collection Challenges or Issues [if applicable]	

*Ideally, the eligible population includes only students enrolled in your program. In cases where vital courses have students from various programs, specify when the population may include non-majors. The measure may be targeting, graduating students, alumni, students in junior level or capstone courses. The measure should be specific and the proportion should be of that group.

Outcome 2:	
What do these results indicate about the extent to which students from this program possess the knowledge or skill reflected in Outcome 2? How do your results support this conclusion? Please use the space below to indicate whether or not each performance criterion was met and to describe components of the program you believe contributed to this result.	
	Outcome 2 met? Use Dropdown to Select

Measure 2.1			
Performance Criterion 2.1		Was the Performance Criterion Met? Use Dropdown to Select	
Results			
Number of Observations Included in Assessment (e.g., number of students, papers, projects)		Proportion of Target Population Assessed	
Data Collection Challenges or Issues [if applicable]			

Measure 2.2			
Performance Criterion 2.2		Was the Performance Criterion Met? Use Dropdown to Select	
Results			
Number of Observations Included in Assessment (e.g., number of students, papers, projects)		Proportion of Target Population Assessed	
Data Collection Challenges or Issues [if applicable]
