Camp Carey

Camp Carey is a one-of-a-kind tradition that welcomes you and fellow business freshmen to the W. P. Carey School of Business. It's an adventure thousands of business students have taken part in over the past 10+ years, and one of the best things you can do to prepare for a successful first year in college.

Camp Carey happens before your first ASU classes begin, about 90 minutes north of ASU in the cool pines of Prescott, Arizona. All incoming freshmen are expected to attend Camp Carey, so it's a great opportunity to meet your new classmates. You'll spend three days participating in team-building activities, finding out how to succeed as a business student, and learning about Sun Devil traditions alongside your peers. You'll also collaborate with facilitators – W. P. Carey upperclassmen who have been in your shoes – and interact with W. P. Carey faculty members, deans, and staff.
