Herberger Young Scholars Academy

This state-of-the-art educational facility will be the new home for the Gary K. Herberger Young Scholars Academy on Arizona State University's West campus.

Herberger Young Scholars Academy (HYSA) provides a learning environment designed for gifted students in grades 7-12. HYSA personalizes students' education by merging their academic talents and interests with advanced college preparatory coursework and mentorship opportunities.

The new building will include state-of-the-art classroom space. The design includes a makerspace, a collaborative workspace, for turning ideas into reality.

The building is designed to meet LEED Silver specifications at a minimum.
