## Archived Committees

## Purpose and functions

To serve in an advisory capacity in the study, clarification, and formulation of policy and procedures in areas affecting the university, including:

- strategic planning, annual budget planning, and allocation of university resources
- technology transfer policies, including patents and copyrights
- university services and facilities, including parking services, the libraries, and computing services
- information services, including information gathering and dissemination on issues affecting higher education, faculty, and academic professionals
- public relations initiatives, including those of the university's public relations units, the ASU Foundation, and the Alumni Association.

## Membership Guidelines

- elected members: 11 senators, including representation from each of the campuses. The committee should have representation from tenure/tenure eligible as well as non-tenure eligible faculty
- ex officio: the university president, the provost of the university, the executive vice president, treasurer, and chief financial officer of the university, and the chair of the UAC or their designees
- the term of elected members shall be two years. One half of the elected members shall be replaced each year.
