

Education at scale and speed for everyone, everywhere

At EdPlus, we're solving problems, creating opportunities and finding new paths to shape a generation of master learners.

Transformational Projects

Transforming the education landscape requires innovative thinking and bold actions. At EdPlus, we are committed to these principles in delivering Arizona State University's high-quality educational resources to learners around the world.

Global Freshman Academy

Arizona State University and edX, leaders in providing unprecedented access to education, have joined forces to create the Global Freshman Academy (GFA), a cost-effective way for students to achieve a quality education.

Action Lab

The Action Lab is a digital learning research center of ASU EdPlus that provides unique, multidimensional, and actionable research of advanced teaching and learning technologies.

Mayo Clinic Partnership

The Mayo Clinic and Arizona State University have partnered to create cutting-edge learning enhancements for healthcare innovators who will shape a new era of medicine.

ASU tops list of most innovative schools

U.S. News and World Report named ASU #1 in the nation for innovation ahead of both M.I.T and Stanford.

"Online education isn't just a bolt on, it's a comprehensive, integrated system"

- Howard Schultz, CEO and chairman of Starbucks

Excellence. Access. Impact.

Our projects build on the principles laid out in the [ASU Charter](#) and we strive to have a major impact on society.

- inclusion vs. exclusion
- research and discovery of public value
- responsibility to the broader community
