

It is essential to describe in detail the qualifications that make this person an appropriate site visitor for your unit. Indicate any relevant academic and professional experience qualifying this person as a reviewer. This biographical information is critical to help the University Program Review and Accreditation Office select site visitors and to provide a biographical overview to administrators who will interact with the site visitors. Please suggest reviewers who can provide a balance in representing appropriate areas of emphasis in your program.

Attach vita or résumé of nominee, if available or a copy of biographical information from a published source (e.g., Who's Who, American Men and Women of Science). Do not solicit vitae from nominees because it can create an awkward situation for individuals not invited as reviewers. Duplicate copies of this form should be sent to the academic dean of the college or school for approval. **Please do not nominate current ASU employees and faculty assistants, former or present applicants for jobs, donors, or contractors.**
