ASU Experience

ASU combines the vast resources of one of the nation's largest research universities with programs that are distinctive to students' needs. The university offers a variety of groundbreaking opportunities for personalized learning, undergraduate research, unique campus life experiences, and entrepreneurship.

Interdisciplinary Approach

Students can choose from more than 350 undergraduate degree programs and more at ASU. Our interdisciplinary approach offers all students opportunities to learn from faculty and peers from different academic backgrounds to fully understand the complexity of the subjects.

Undergraduate Research

Research is the complement to the ASU classroom experience. As an undergraduate, ASU helps you to leverage faculty, graduate students and other resources to transform your knowledge into practice. Through experimental learning, students are well prepared to achieve higher academic goals.

ASU Learning Community

At ASU, international students enjoy a variety of personalized services, including unlimited academic advising, career coaching, free tutoring and wellness support. With more than 1,000 student organizations and 300 cultural programs annually, ASU has created a well-balanced learning community across all of our campus locations.
