Break Housing

Students may elect to stay in their rooms over breaks.

These include:

- Fall Break: October 10 - 13, 2014
- Thanksgiving: November 26 - 27, 2014
- Winter Break: December 12, 2014 – January 8, 2016 (please see note below regarding Winter Break)
- Spring Break: March 6 - 13, 2016

There will be no additional charge for the winter break period (except for Family Housing residents on the monthly payment plan, who will be billed as per usual). Limited desk services and dining options will be in effect during break periods. A Winter Break Housing web page will be available on the Housing Website featuring additional information later in the fall semester. Please see your Community Assistant or Community Mentor for information on winter break housing.
